

Child Passenger Safety & SIDS/SBS trainings

In 2005, legislation was passed that required providers to complete both of these trainings. We started to hold car seat & SIDS/Shaken Baby Syndrome trainings in November of 2005. According to statute, these trainings need to be renewed every 5 years. In order to meet the need, I will be holding car seat trainings every month beginning January 2010. All trainings, except for Septembers, will take place on the 2nd Thursday of the month. I urge you to sign up early as space is limited.

SIDS/Shaken baby syndrome trainings will be held at Nicollet County Family Services building in North Mankato. Dates will be announced as soon as they are scheduled.
